	8*20 mm screw	9

Part 2: Unboxing Instructions

1. **Unbox Carefully:** Carefully open the box and remove all the parts.
2. **Cushion Recovery:** The cushions are filled with down and have been compressed for packaging. Allow 72 hours for them to fully recover once out of the box.
3. **Tools Needed:** You will need an electric screwdriver to tighten the screws.
4. **Assembly Recommendation:** It is recommended that 2 adults complete the assembly together.
5. **Optional Buckle:** Using the buckle to connect the seats together is optional but provides more stability.

Part 3: How to Install the Seat (Y128-2)

1. **Install Back Rests:** Attach the back rest to the seat by aligning the holes and securing it in place.

2. *Attach Baffle:* Secure the baffle to the designated holes.

3. *Put on Sofa Cover:* Carefully unzip all zippers before fitting the cover onto the sofa.

4. *Attach Legs:* Screw the legs onto the sofa.

5. *Prepare Cushions:* Remove the compressed cushion, pat it to help it regain shape, and place it on the sofa.

6. *Connect Seats (Optional):* Use the buckle to connect the seats for added stability. Each carton contains one buckle, but only one is needed to connect two seats. Extra buckles can be stored as spares.

Part 4: Combination & Size Instructions

- Combine Units: Follow the provided layout instructions to combine sofa modules and achieve the desired size.
